Terry Tremain - Chairperson

In my 3rd term as Chairperson, firstly in 2005, 2009 and now 2010, the changes and growth I have seen to the Country Energy Nyngan Ag Expo in past 18 years has exceeded our expectations. This is with thanks to the volunteer committee who have worked endlessly behind the scenes, making considered decisions to assist in producing a quality event for the community and have succeeded once again in ensuring that this happens. Funds raised by the committee are distributed back into the community of Nyngan.

We are grateful to Country Energy for their wonderful support and sponsorship, to the Bogan Shire Council and staff who work endlessly to ensure that the Showgrounds are in a pristine condition.

We also extend our thanks to the Nyngan SES and the Ladies of the Nyngan Golf Club for their invaluable assistance in coordinating both the parking and the gate, this has allowed our committee to further assist in the coordination of the many exhibitors and events occurring within the showground.

Our sponsors both old and new, who with great appreciation support us in making this expo “*one of the best Expos in NSW*”

Country Energy
Bogan Shire Council
NAB Agribusiness
Fargo Products
Radio 2DU
Western Magazine
The Land Newspaper
Elders
Weston Fence
Martel Accounting
Ecosmart
Outback Motor Inn

Central West Catchment Management Authority
