

MEDIA RELEASE: 10 July 2011

Over 35 New Exhibitors!

With over 240 exhibitors this year's 'Essential Energy' Nyngan Ag Expo is sure to everything to keep the entire family busy on Saturday 6th August at the Nyngan Showgrounds. 35 of those are new exhibitors!

Big and little, young and old will have plenty of fun with the Kiteman at a workshop learning how to construct both A4 and sled kites! Keep an eye out for the Expo Information Booklets for the times and location of the workshops.

The Birrang Nursery will have for sale various types of trees, shrubs, ground covers, flowers and fruit trees as well as vegetable and flower seedlings, pots and garden ornaments. The Nursery is a part of the Birrang Enterprise Development Company which was established in 2003 servicing regional based employment service provider offering employment and related services to indigenous people of western NSW.

Training has been completed in carpentry and now the team is moving into a self-sustainable small business venture. Their team is making outdoor furniture and handmade arts and crafts which will be available to purchase or order on the day at the Expo.

If it is your dream to visit your dam on a summer night with a fishing rod in hand and you look forward to telling tales about the one that got away or the one that didn't get away, start now and put fish into your dam.

Aqualife Consultants are a versatile dynamic company with down to earth solutions for water reuse and sustainable living. Their core business is selling fish for farm dams and aquaponics systems - the growing of fish and vegetables at the same time. Visit Aqualife at the Expo to see a working system.

If you would like to become involved in the Expo or join the team, please do not hesitate to contact Robyn Harris, Expo Coordinator by phoning 02 6832 1238.
